

General Information / Overview

Imagine a journey in search of the legendary Lost Kingdom. Along the way encounter exotic birds, animals and reptiles. An adventure that is fun for all ages!

This incredible experience begins at the mysterious **Old Museum** where you will feel like you have travelled back in time. Your adventure takes you to the **Explorer's Base Camp** where you can get up close and even hold friendly parrots, exotic birds and animals. The journey continues with a spectacular view of the Niagara River Gorge as you enjoy the smallest of our beautiful winged wonders flying freely around you in the **Small Bird Aviary**.

Explore the **Night Jungle** and see strange creatures including owls, bats, reptiles and more. The little ones can search for treasures from the past in our **Kids Archaeology Dig**.

At last, discover the Kingdom! Be amazed as you enter the **world's largest free-flying indoor aviary**. Watch the exotic colourful birds fly and play in this multi-level rainforest. Wander on the path starting at the top level, behind the 40 ft. waterfall and down to the jungle floor.

Meet new friends at **Lorikeet Landing** where you can feed and interact with the friendly rainbow coloured birds. Within the jungle is only original **Javanese House** in North America where you can enjoy a drink in the most unique oasis.

Shop the award winning **Macaw Market** where there is something for everyone! Cute plush toys, unique souvenirs, art pieces and a beautiful selection in the home & garden area provides great gift ideas all at reasonable prices.

This soaring adventure is for visitors of **all ages** and is **wheelchair accessible**.

We offer a unique experience through:
